# WELCOME

## to Wollaston Lake Lodge

Presented within this brochure are just a few memories we've been able to share with our 'family' at Wollaston Lake Lodge. Our staff continues to exceed the expectations of our guests and understand how precious your free time is. We understand the value of you choosing the Wollaston Experience and are committed to making it a worthy choice. Our guests are constantly telling us that they feel like part of our family. Family is what we believe in and how we treat our customers and each other. Choose Wollaston Lake Lodge and become 'one of the family'.

Mike & Judy Lembke  
and Family

**"You will not find a better overall experience than Wollaston Lake Lodge. The fishing is second to none, but it is the people that truly make the difference at Wollaston. Just a special place that you have to see to believe."**

—Dino Macaluso

# Wollaston Lake is one of Canada's National Treasures.

Wollaston Lake, located in far northeastern Saskatchewan, Canada, is one of the world's natural treasures. Lying just south of the Arctic Circle, this 800-square mile lake is home to some of the largest Northern Pike and Lake Trout found in the world. Walleye and Grayling, in impressive numbers and size, are also found here. It is a wilderness fishing dream. In the world of fishing, only the beauty of the surrounding forests and the warm and friendly atmosphere of Wollaston Lake Lodge can come close to complimenting the quality of the fishing found here. The management and staff have a single goal: to make your Wollaston Experience the most pleasurable and memorable of your life.

Not only is our lake a national treasure, but our people are too. The very same friends who fish with us year after year are not only drawn to Wollaston Lake Lodge for its fishing, but also its people. Our repeat guests have become 'one of the Wollaston family' over the years.

"Wow what an amazing experience! Thank you for creating such a special place and assembling a great team to support the effort. Combined with perfect weather, this trip was phenomenal. Your attention to detail is much appreciated. Thank you!"

—Chris Eby

# FISHING

## the Grand Slam

"Travel at your own risk...  
this place will ruin you for  
fishing anyplace else.  
The fishery is incredible—  
the facilities and  
equipment are absolutely  
top notch—the food...."

—Jeff Meiners

# Whether you are a baitcaster, spincaster or fly angler, Wollaston is your choice to both hone your skills and test your abilities.

Wollaston Lake's 800-square miles of cool, clear water plunges to depths down to 400 feet. Numerous rivers pour highly oxygenated water into the bays. These factors, along with a tremendous forage base which helps our fish grow to such legendary size, provide the perfect habitat for our Northern Pike, Lake Trout, Walleye and Arctic Grayling.

These four species make up the Grand Slam of freshwater fishing. It is incredibly rare to find all four of these highly sought after species in the same lake anywhere in the world, much less Saskatchewan.

Each of our guides are true professionals and are skilled in all fishing methods. They are more than ready to show you the thrill of learning a new technique. They also know the pure adrenaline rush of fighting a huge fish, and their job is to help you feel it too.

# GUIDES

**"I have been on Canada fishing trips 10-12 times in my life and this was my first trip to Wollaston Lake Lodge. When our guide asked me what I thought, something I've never been asked by a guide before, my response was simply "EVERYTHING is better. The fishing, the quantity of fish, the size of the fish, the quality of the guides, the knowledge of the guides..."**

**—Mike Grilz**

**ORVIS  
2018**

ENDORSED  
FLY FISHING LODGE  
OF THE YEAR

We are the only lodge in the world that has been chosen THE "2018 Orvis Endorsed Fly-fishing Lodge of the Year". This special honor is given yearly to the Lodge that best represents the Orvis company's Endorsement. What is an Orvis-Endorsed Operation? Over two decades ago, Orvis set out to make planning a world-class fishing experience easier for their customers. They sought out the best fishing operations in the most exceptional fishing areas across the globe. The result was the Orvis-Endorsed Operations program for lodges, guides, outfitters, and expeditions. Each endorsed operation has its own character, but all share the same high standards: great service, great fishing, and an experienced, professional staff. These standards of excellence are continually reviewed by the Orvis staff and evaluated by visiting guests in post-visit critiques sent directly to Orvis. Orvis-Endorsed operations cater to every ability from beginner to expert.

## We're proud to provide our guests with safe, comfortable transportation on the lake and in the air.

Daily fly-outs to remote parts of Wollaston Lake or to over twenty neighboring lakes will help maximize your Wollaston Experience. Two deHavilland Turbo Otter float planes can whisk up to six guests and their guides to these distant locations.

Wollaston Lake has a lot of areas to explore with 2,700 miles of shoreline. Each of our guides and his two guests, are provided with an 19-foot custom Lund Pro-V boat. An 90-hp Yamaha 4-stroke quietly gets you where you want to go on the lake smoothly. The boats come with an extra large casting platform along with wide gunnels.

This design, exclusive to Wollaston Lake Lodge, provides an extra large area for casting and fighting those big toothy critters. The boats also come equipped with top of the line depth finders and trolling motors, all adding to your ability to get into the big fish.

# MEALS

## and Service

**A fishing trip this far north used to include more than its fair share of roughing it, or doing without. Not here, not at Wollaston Lake Lodge.**

Our 5-star chef team offers a variety of meal selections. Begin each day with a breakfast made to order. The pastry and bread chef will add to your meals by creating fresh baked goods for you daily. Then when sitting down to enjoy your choice of dinner, you can choose from our extensive wine list and complete your evening meal with a decadent dessert. Our portions will satisfy the hungriest appetite while our presentations impress.

There are no set times for you to come to dinner. This is your Wollaston Experience and you should set the plan. All meals are cooked to order and special requests are graciously welcomed.

Special dietary requirements are, of course, no problem for our team. Our chef and waitstaff are dedicated to making your culinary experiences just as memorable as your fishing.

**"The overall first-class experience was above and beyond. Being able to disconnect and fish! Food was A+!"**

—Brent Christensen

## Our mission at Wollaston Lake Lodge is to exceed your expectations.

5-Star service is what Wollaston Lake Lodge is all about. It starts and ends with our staff, a dedicated group of true professionals who are well-versed in the art of personal service. Our staff to guest ratio is better than one-to-one. We pay attention to all the details, making your stay so memorable you'll just have to come back.

It is always our pleasure to welcome you and help make your Canadian wilderness fishing dreams come true.

# CABINS and Amenities

## No, this isn't roughing it, this is the Wollaston Experience.

All of Wollaston Lake Lodge's cabins are modern in design and convenience. Cabins easily accommodate up to eight people in complete comfort. Each of our 21 cabins are equipped with thermostatically controlled electric heat, allowing you to be in charge of your own comfort. You'll find private bathrooms in each, complete with plush terry towels. Our beds are dressed with exceptionally soft flannel sheets. You'll also find a small refrigerator, and ice is delivered every afternoon directly to your cabin. Upon waking up, you'll even find a thermos of hot coffee waiting for you right outside your door.

Our workout room will help keep you in fish-fighting shape while our licensed massage therapist will knead those tired muscles back into that feeling of "ahhh." Now, imagine finishing it all off with a relaxing sauna. A perfect way to close a perfect day at Wollaston Lake Lodge.

No worries if you need to keep in contact with your business or family, or simply brag about your fishing success. We supply wireless internet, satellite television, as well as telephone and fax services in the lodge. You'll also find an impressive wine selection, a fully stocked tackle shop, a humidor with Cuban cigars, and a complete bar and lounge.

Optional Extras: Liquor, tackle, gratuities, confectionery items, rental fishing equipment, daily fly-outs or fly-backs and therapeutic massage.

\*Fishing License is not included

## FISHING ITINERARY:

Upon arrival in Winnipeg, MB, you will be met by our expeditor. He will collect your bags and take you to the hotel for the night (room included in package). Early the next morning, you will meet the group in the lobby and will be taken to our charter flight. The charter flight is approximately 2 hours, followed by a short bus ride to the lodge. Once you arrive, a hot breakfast will be available in the dining room. Afterwards, you will meet your guide and discuss your fishing plans for the next 4 days. Breakfast and dinner are served in the main lodge daily, there are no set times once service begins. On departure day, breakfast will be served before you head back to Winnipeg.

Emergency situations can happen anywhere at any time. We partner with Global Rescue to include comprehensive coverage for all of our guests. Global Rescue is the world leader for Medical Emergency Support and Evacuation. We are proud to include this coverage for our guests during the duration of their stay and give them peace of mind while enjoying their wilderness vacation.
